

SURPLUS SALVAGED MATERIALS FOR SALE

The City of Eugene Public Works Transportation Division has available to all interested parties surplus salvaged materials. Surplus materials will be sold at the pre-established prices to the first responsive party.

The City expresses no warranty or guarantee of any kind. All materials are used and sold as is/where is. These items are available on a first come first serve basis and may not always be available. All sales are final.

Interested parties must contact Randal Dale, Transportation Supervisor, at (541) 682-4961 to arrange to view and or purchase available materials.
